FOR IMMEDIATE RELEASE

Full Closure of Southbound SR-47 in Los Angeles for Bridge Work

LOS ANGELES— The California Department of Transportation (Caltrans) plans to fully close southbound SR-47 from Ferry Street to Harbor Boulevard for bridge work. The southbound lanes of the Vincent Thomas Bridge will be closed.

Work will begin nightly at 7 p.m. to 6 a.m. starting Tuesday, October 9 through Saturday, October 13.

A signed detour will be posted for motorists' convenience. Motorists should expect delays and are strongly advised to use alternate routes or avoid the area. Additionally, motorists can check traffic conditions before they leave by visiting the Caltrans [Quickmap](#).

This \$39.5 million project has been awarded to Golden State Bridge, Inc. of Benicia, California and is scheduled to last until Fall 2019. Crews will replace bridge braces as part of the project.

Caltrans reminds drivers to be "Work Zone Alert" and to "Slow for the Cone Zone."
